

ATTENTION

— ALL Livestock Exhibitors —

With the tornado that hit the Metra Arena in June, there will be some changes to be aware of for this year that will affect all Livestock Exhibitors. We ask for your patience for this year and please know that we are committed to making this year's NILE Stock Show a success! Please make note of the following:

☆ **Stalling and Event Locations:**

- Cattle will be stalled in the Montana Pavilion and Heritage Building.
- Jr. Fed Stalling for hogs and lambs will be in the Sandstone Building.
- Cattle Tie-Outs will be located outside of Heritage and Sandstone Buildings.
- Show Arena will be located in a tent located outside of the Montana Pavilion
- Sale Preview area and Sale Arena will be located in the Sandstone Building.
- Livestock Office and Brand Inspectors will be located in the Montana Pavilion, unless noted otherwise.

☆ **Wash Racks:** Considerably limited in number by comparison to previous years. They are located in the west end of the Montana Pavilion. However, the wash racks located down in the Expo Center will be made available.

☆ **Power:** For cattle stalled in the Montana Pavilion, power should be adequate. However for livestock stalled in the Heritage and Sandstone Buildings, power is available but may not be suitable for blowers. WE ADVISE EXHIBITORS TO BRING GENERATORS NO MATTER WHERE YOU ARE STALLED!

☆ **Livestock Check-In:** Gate 4, located off of 4th Ave. & Main St., is the preferred and quickest gate to Check-In Livestock. *(See map at back of Premium Book)*
