## ***NILE 2010 Steer Challenge*** **LETTER OF AGREEMENT**

\_\_\_\_\_ agrees to consign \_\_\_\_\_ head (minimum 5 head per consignment) at \$50/“pen-of-five” to NILE’s 2010 Steer Challenge. The cattle are to be source & age verified 2009 born steers. The steers will be delivered to K4 Cattle Company in Billings, MT between October 15<sup>th</sup> and October 31<sup>st</sup>, 2008. (*Preferable pre-weaned with all vaccinations and treatments prior to delivery*). Contracts are due to the NILE office with payment one week before date of delivery to K4 Cattle Company. This will allow Verified Beef adequate time to send you your EID tags that **must** be placed in each animal’s ear prior to leaving your ranch. Payment and contracts are still due prior to delivery should you decide to not qualify your steers for premise and source verification.

I fully understand and acknowledge that all debts owed to the NILE must be paid in full by the time cattle are harvested. I also understand that the cattle I deliver to the testing facility are of known genetics. The test directors, the consignors, the feedlot owners, feedlot employees, the management, nor the NILE shall be held liable and all participants agree to assume 100% risk of loss due to theft, sickness, death, or any cause which results in injury to the individual animal while at the test station or being hauled by approved test station personnel.
